This unique two story home features a spacious, high, cathedral ceiled family room with balcony overlooks on the 2nd floor, a kitchen with eating space is located to serve both into the dining room and into the family room. The living room is isolated and private from any traffic areas. A fourth bedroom which can serve as an office, study or library is on the first floor. A guest bath and convenient washer/dryer room completes the main floor. Upstairs are 3 bedrooms and two baths. The front bedroom is exceptionally large providing space for the children to do their homework or play. The master bedroom features a walk-in closet and its own private bath. Two car garage and full basement provide gobs of storage space and room to grow. This is one of the most unique, exciting floor plans ever presented by Melody Homes!
